

Dear Member,

Thank you for being a member of Trilogy Health Insurance BadgerCare Plus program. Our goal is your overall health and wellbeing. The BadgerCare Plus program covers health care services such as checkups, shots (immunizations), prenatal care, wellness doctor visits; emergency department visits; hospital care; maternity and newborn care; mental health, behavioral health, and substance abuse treatment; rehabilitation services and devices; lab visits and x-ray services and vision care, like glasses.

My Choice Wisconsin acquired Trilogy Health Insurance in the summer of 2019, but we did not change the name at that time. There was no disruption or change to your BadgerCare Plus services because of the acquisition.

My Choice Wisconsin supports a variety of programs including Family Care, Family Care Partnership, Medicaid SSI, and Medicare Dual Advantage programs in 55 counties throughout Wisconsin.

We are sending you this letter to inform you that on June 1, 2021, Trilogy Health Insurance will formally change its name to **My Choice Wisconsin Health Plan**. Once again, there will be no change or disruption to the BadgerCare Plus program you are enrolled in or to the high-quality service you currently receive.

This is the new logo you will be seeing:

You will receive more correspondence regarding this name change in the mail in the coming weeks. If you would like to learn more about My Choice Wisconsin, you can visit our website at www.mychoicewi.org.

Once again, we thank you for choosing us to be your Medicaid HMO. We look forward to continuing our service to you in the future! If you have any questions, please contact Customer Service at 855.530. 6790.

Sincerely,

A handwritten signature in cursive script that reads "Maria Ledger".
